

# SPRAY LIQUEURS

**NEW FLAVOURS:  
AMARETTO  
LIMONCELLO  
COFFEE**

## **ANISETTE LIQUEUR** Spray vaporizer in tube

Scented liqueur with typical sweet and intense aroma, to be perfectly coupled with coffee and cappuccino. The new vaporizer system allows to transfer the anisette properties without attacking the coffee full taste, but amplifying the original aroma in a wonderful way.

Content: 100ml  
Alcohol: 40% Alc./Vol.

## **PINOT GRAPPA** Spray vaporizer in tube

Distilled with a strong and definite taste, the vaporizer bottle allows you to savour the intense emotion of a smell tasting. It enriches with a pleasant aroma the coffee, the hot chocolate, every cake, rice or sigars (moistened by a spray), without modifying their natural characteristics, but amplifying them.

Content: 100ml  
Alcohol: 40% Alc./Vol.

## **MOSCATO GRAPPA** Spray vaporizer in tube

A new idea to appreciate the soft taste of the Moscato Grappa, a valuable distillate with a warm and harmonium taste, typical of this grape variety. The vaporizer make you able to enrich with a precious aroma not only your coffee, but also desserts, biscuits, chocolate... and whatever your imagination wants. This is fragrant aroma for a sweet embracing pleasure.

Content: 100ml - Alcohol: 42% Alc./Vol.
